### RI WILD PLANT SOCIETY'S

#### **Tree ID in Winter**

Foster, RI

*Sat., Dec. 5, 10:30-noon*

*(weather date: Sun., Dec. 6, 1pm-2:30pm)*

**Leader:** Paul Dolan

Bundle up for the weather and join RIWPS Board Member Paul Dolan for a tree walk in Foster. He will introduce us to the native trees on his own property in northwest RI. We will learn how to identify over twenty deciduous and evergreen trees. He will discuss tree cultivars and invasive species in the woods. This is a great opportunity to learn from an experienced forester. Paul is the Deputy Chief of the Division of Forest Environment of the RI Department of Environmental Management.

Bring your tree guide if you have one.

Min. #5, Max. #15

**Fee:** \$5. Members; \$7. Non-members.

Our programs fill up fast so be sure to send in your payment to secure your spot. Registered participants will receive directions to the site and more details by e-mail or telephone.

For more information, contact the Rhode Island Wild Plant Society office at (401) 789-7497, or visit the website at [www.riwps.org](http://www.riwps.org), or e-mail us at [office@riwps.org](mailto:office@riwps.org).

**Pictures are available upon request.**
